# Overview

---

The RTG® Retail Technology Group (RTG) provides this document as a high-level summary of the latest release of the RTG AXIS software system.

In addition to enhancements described in this document a number of reported system defects have also been addressed.

# Gunsmithing

---

The Gunsmithing Module is intended for retailers that need the ability to track gunsmithing within their AXIS system. It has been updated in the AXIS 2.16 release.

- Gunsmithing Work Order Details
  1. You will now see the Gunsmithing Work Order Details screen has been updated to:
    - Easily add multiple products to the work order
    - See all details of the work order on one screen
    - Ability to enter Shipping information into designated areas
    - Change the employee assigned to a specific task
  2. You also now have the ability to format work order template
    - A new sub-folder will need to be added to the **Shared Path folder** and Support will assist with formatting as needed.

▶ Contact RTG at 1-800-547-7120 or [Support@RTGHoldings.com](mailto:Support@RTGHoldings.com) to obtain the new work order template.

# Enhancements & Bug Fixes

---

The following screens have been updated to provide better performance and functionality.

- Memberships
  - You now have the ability to expire memberships in the same month if prior to their normal due date
- Sales Orders
  - Moving to the Register will now dispose to the transfer agent if one is selected
- Miscellaneous Bug Fixes and System Improvements.
